Ari, I have to send this to you because it is the right thing to do. Please don't make me sorry I did it. I wish you all the best. I appreciate very much that you explained and apologized for your prior actions.

We know who moved it. You told the men working on the lobby to move it. (they told me) So I guess you're legally liable.

Please discard any communication from Ari Teman.

It is unfortunately that he has very bad reputation and it aligns with his behavior to make repeat legal threats

We will take up with our attorney at this point for his advice for laws under consumer protection as his intercom panel is defective.

I believe anyone has direct contact with him before or moving without going through our management will have legal liability or sequence.

Thanks,
